### Private Function Information 2012

The stroom's two function rooms – the queen's room and the cellar bar – are available for hire for a range of private functions.

Both rooms are available to hire on a room-only basis, which means you have the flexibility of providing your own buffet. Alternatively, choose one of our very sensibly priced menu options. All our produce is locally sourced and dishes are home-made by the stroom's award winning chefs so you can be guaranteed of the freshest and tastiest food. Also, when choosing our catering, your guests will be provided with all crockery & cutlery and we take care of the clearing up – so no paper plates and much less hassle!

Dinner menus, for those who prefer a sit-down meal, are available lunch & evening in the queens room and during lunch in the cellar bar. Buffet menus are available lunch & evening in both function rooms. We cater fully for vegetarians and have an extensive vegetarian menu available on request. Don't forget, we can take care of all your party requirements too on request, including DJ!

Terms & conditions, including room hire charges and details of maximum numbers permitted in each room, are attached.

The stroom restaurant & function rooms is owned and run by Neale Hospitality Limited. As a family business with dedicated staff, you can be sure of a friendly face and unrivalled service. This, alongside the quality of food, is what makes us stand out from the chain hotel!

Please do contact us should you wish to discuss your function or menu options in more detail. Please ask to speak to me. You are also very welcome to view our rooms by appointment.

We look forward to welcoming you for your function.

Yours faithfully
